

# Harbor Bay Yacht Club Cruiser Fun Race Sandusky Bay Light to Vermillion September 4, 2010

As part of the HBYC Cruise to Vermillion, we invite you to a fun race from the Sandusky Breakwater Light to Vermillion. You will keep your own start and finish time and special cruising credits will be awarded for towed dinghies.

## 1. Eligibility

All are invited to race including powerboats.

## 2. Rules

Normal Rules of the Road will apply. Engines must be off prior to crossing the start line and remain off during the race.

## 3. Course

The Start line will be between the Sandusky Breakwater Light and the Green "1" Bell buoy. Start keeping your own time when you cross this line.

The Finish will be when you are within .2 nautical miles of the "C" light on the breakwater at the entrance to Vermillion.

Note the elapsed time in hours, minutes and seconds when you reach this point. Turn in your time to Jim Hearst no later than 1730 Saturday.

The course distance for handicap purposes is 14.6 nautical miles.

## 4. Handicap Rating

The PHRF-LE and US Sailing PHRF Handicap books will be used to determine a rating. Cruising credits will be awarded based on type of propeller, roller furling jib and main systems, and towed dinghy.

Asymmetric spinnakers will be allowed but usage must be reported with the elapsed time. A penalty of 6 seconds/mile will be assessed.

## 5. Results and appropriate awards will be presented at the Saturday Luau .
