In consideration of the acceptance of this entry to the Harbor Bay Yacht Club (HBYC), I, intending to be legally bound, hereby waive and release any and all rights and claims for damages I may have against HBYC and its officers and trustees, cruise director, and the cruise coordinators, acting in such capacities only, for any and all injuries suffered by me during the course of such excursions. I attest that I have hull and liability insurance that is sufficient to cover any and all accidents or other insurable incidents that may occur during these events. I will adhere to all HBYC safety and boating rules as stipulated in the club bylaws or event instructions. I will notify each of my crew members that as the Captain of my vessel, it is my sole responsibility to ensure the seaworthiness of my vessel and to consider current and predicted weather conditions prior to departing the marina. I acknowledge that the fact that the HBYC may stage any particular event is in no way an endorsement of safety and I recognize that boating involves risks, including the possibility of drowning and physical injury. Regardless of whether HBYC does or does not cancel its sponsorship of any event, **I remain solely responsible for the safety of my vessel and crew.** If I elect to cancel my participation in an event for safety reasons, I understand that I will not be penalized by HBYC. I understand that it is highly recommended that I attend the captain's meeting before departing on a scheduled club event and conduct an appropriate safety briefing with my crew.
